Lawton City Hall
212 SW 9th Street
Lawton, Oklahoma
73501-3944

Streets, Bridges, and Building Development Council Committee

Amended Agenda

Wednesday, October 15, 2025

11:00 AM

Lawton City Hall
3rd Floor Conference Room

Meeting Called to Order

"Official action can be taken only on items which appear on the agenda. The Authority may adopt, approve, ratify, deny, defer, recommend, or continue any agenda item. The Authority may also propose and enact floor amendments to any matter presented before them. When more information is needed to act on an item, the Authority may refer the matter to the City Manager or the City Attorney. The Authority may also refer items to standing committees of the Council or a board, commission, or authority for additional study. Under certain circumstances, items are deferred to a specific later date or stricken from the agenda entirely."

Statement of Compliance with Oklahoma Open Meeting Act, 25 O.S. 301-314

Roll Call

Introduction of Guests

Business Items

1. Make a recommendation to City Council regarding the traffic signal at 50th and Cache Road, which was activated by a contractor and left operational without notification to the City.
2. Discuss the "107 in '25" milling and overlay project and take action as deemed necessary.
3. Discuss ongoing traffic safety concerns on W Gore Blvd from 2nd St to W 11th St and provide direction to staff regarding possible solutions to mitigate the issue.

Adjournment

The City of Lawton encourages participation from all of its citizens. If participation at any public meeting is not possible due to a disability, notification to the City Clerk at (580) 581-3305 at least 48 hours prior to the scheduled meeting is encouraged to make the necessary accommodations. The City may waive the 48 hour rule if interpreters for the deaf (signing) is not the necessary accommodation."

Item Title:

Make a recommendation to City Council regarding the traffic signal at 50th and Cache Road, which was activated by a contractor and left operational without notification to the City.

Initiator: George Gill, Councilman - Ward 4

Information Source: George Gill, Councilman - Ward 4, Michael Watrous, Director

Background:

On September 24th, a contractor working for a sub-developer completed repairs to the signal prior to the city's acceptance of the signal (on the 28 October agenda). During these repairs, the contractor left the signal operational without notification to the City. Once activated, several accidents occurred, causing at least two accidents with injuries.

Correlation to the True North Statement:

Safe Community

Exhibit:

None

Key Issues:

When signals are activated and deactivated, the changes create the most dangerous conditions at a signalized intersection for drivers as they become aware of the major signal changes. This moment has already passed, and drivers are now aware of the intersection. Turning the signal back off and then later back on, introduces two more conflict points where vehicle accidents and increased risk to safety will be increased. The development will not be completed for awhile still, however.

Funding Source:

N/A

Recommended Action:

Make a recommendation to City Council regarding the traffic signal at 50th and Cache Road, which was activated by a contractor and left operational without notification to the City. Staff recommends against changing the signaling at the intersection at this time.

Item Title:

Discuss the "107 in '25" milling and overlay project and take action as deemed necessary.

Initiator: George Gill, Councilman - Ward 4

Information Source: George Gill, Councilman - Ward 4

Background:

As part of the City of Lawton’s commitment to improving infrastructure and roadway conditions, the “107 in ’25” Milling and Overlay Project identifies 107 streets scheduled for resurfacing in Fiscal Year 2025. This initiative supports the City Council’s priority to enhance transportation safety, extend the life of existing streets, and maintain roadway quality throughout the community

Item Title:

Discuss ongoing traffic safety concerns on W Gore Blvd from 2nd St to W 11th St and provide direction to staff regarding possible solutions to mitigate the issue.

Initiator: Dewayne Burk, Deputy City Manager

Information Source: Dewayne Burk, Deputy City Manager

Background:

The City Manager's Office received a citizen complaint on Friday, October 10th at 3:15 PM regarding ongoing issues with speeding on W Gore Blvd between 2nd st and W 11th St. The issue has prompted requests for increased traffic enforcement and consideration of additional traffic control measures to improve safety in the area.
