Information Source: Lawton Economic Development Corporation (LEDC)

Background:

The Lawton Economic Development Corporation (LEDC) is tasked with recruiting and retaining industrial development within the Lawton Community. To this end they have requested an opportunity to discuss with the Council an ongoing industrial development proposal that will include information that is considered confidential. Said discussion will include conferring on matters pertaining to economic development, the public disclosure of which would violate the confidentiality of prospective business entities. The City Attorney advises the City Council that the Council should determine that disclosure of such confidential communications between the Council and the LEDC regarding the above referenced item will seriously impair the development of the proposal and violate the confidentiality of prospective business entities involved, and from that determination, the Council should convene in executive session to discuss this matter.
