Chairperson Nunley, Tanya reminded me about the lunch we had in the yard, we had a ton of people that came through.

Foy, we went through 330 sandwiches, and they were very appreciative they all hung out and ate together, I thought they would grab and go but they all ate together.

Chairperson Nunley, I don't know the budget, I'm not sure what our budget will be next fiscal year, but I think we should try to do it again in the yard or here in the city hall. We focus more on the yard since they can't attend a lot of our events, but we can do at the other places.
