1. A. Ervin – Engine 4 (2/17/2021)

Discussion: Warren asked if the recommendation took the bad weather into account. Miller stated that a Class C was 3 points and Warren said the recommendation was for 2 points. Hulbert read the definition of Class C and explained that an incident with damage totaling \$1 to \$249 dollars would be given 2 points, instead of 3. Both estimates given, to repair or to replace, were under \$250, hence the 2 points.
