Covid Review

Hubbard passed out information on the COVID. Hubbard reviewed the January 13 information Governor Stitt posted on multiple web sites on the policy and encouraged employees to read them.

Brown reported there have been a total of 121 city employees who have contacted COVID since they started reporting.

Hubbard explained that the 2nd set of shots will be coming up and Tiffany Vrska sent an email about them last week. Tate is going to send Hubbard the paperwork needed for the 2nd shot.

Was asked if or when the employees will be offered the shot again. Brown replied she was not sure they have a plan yet.

Lewis asked if it is paid leave. Hubbard replied that it ended on December 31, 2020. Brown responded that the cares act was not extended. Chew asked if you could donate time to someone. Brown replied they can use the current leave bank until that leave is exhausted then it will be the leave share. But all leave must be approved by the City Manager. Was asked if Police & Fire could donate to the leave share, Craig Akard in HR was texted, and he replied they could.
