Further, Neighborhood Services is authorized to solicit bids to raze and remove the dilapidated structure(s).

Further, Neighborhood Services is authorized to solicit bids to raze and remove the dilapidated structure(s).

SECTION 4: In conjunction with or in lieu of any such abatement, as provided in Section 3 of this Resolution, the City Attorney is hereby authorized, should the same be deemed necessary, to abate the nuisance by the initiation, prosecution, and/or settlement of litigation in Comanche County District Court, pursuant to the provisions of Title 11 O.S. §22-112, Title 50 O.S. §17, and/or any other applicable law. Should the property owner fail to remodel and bring the dilapidated structure(s) and secondary structure(s) within the applicable code standards within the time prescribed in Section 6-1-1-108, said property owner shall then obtain a demolition permit within seven (7) days of the expiration of the time period outlined in Section 6-1-1-108 and demolish and remove the dilapidated structure(s) and secondary structure(s) within four (4) weeks of the issuance of the demolition permit. Further, Neighborhood Services is authorized to solicit bids to raze and remove the dilapidated structure(s).
