### **Mission**

The mission of the H.E.L.P Advocacy Center of SWOK Inc. is to provide Southwest Oklahoma communities with a private, comfortable place to receive support following a non-consensual sexual act or contact, to provide excellence in forensic examinations 24 hours a day, to reduce the prevalence of sexual assault and abuse in the community, and to foster resilience and healing in those affected by rape, sexual assault/abuse, incest. To this end, the H.E.L.P. Advocacy Center of SWOK Inc. provides 24-hour crisis intervention, advocacy, optional forensic examinations, confidential support and counseling referrals, and a multicounty multidisciplinary community-centered prevention approach aimed at opening meaningful dialog, challenging social norms, and bias, and providing accurate information to the community.
